INTRODUCTION

The County of Riverside Community Action Partnership works to strengthen, promote, represent and serve its community to assure that the need of self sufficiency is identified and addressed. Community Action Partnership was created as part of the Economic Opportunity Act of 1964, commonly referred to as the “War on Poverty,” for the purpose of tailoring services to meet the needs of individuals and families by helping achieve economic stability.

Community Action partners with public and private entities across the county and administers a wide array of programs designed to train and uplift individuals while eliminating poverty.

MESSAGES TO THE COMMUNITY

Heidi Marshall

Director Housing, Homelessness Prevention and Workforce Solutions

The County of Riverside Community Action Partnership is part of the Housing, Homelessness Prevention and Workforce Solutions Department and dedicated to helping people out of poverty and move toward self-sufficiency. We work together to implement programs and services that help the most vulnerable population in Riverside County. This partnership works because of the dedication and passion of those who work at Community Action Partnership.

Through the efforts of the staff and volunteers at Community Action Partnership, tens of thousands of Riverside County residents have been served and their lives improved, whether through receiving much needed utility payment assistance or receiving access to laptops to help bridge the digital divide in Riverside County.

Some of the services provided involved improvement to the physical environment, like those offered through the weatherization services program that helps protect homes and apartments during warm and cold weather. There is a financial benefit for residents who enrolled in the Saving for Success program and save towards their goal of home ownership, opening a business, or enrolling in higher education. The Volunteer Income Tax Preparation programs processes thousands of tax returns free of charge for Riverside County residents and brings millions of dollars back into the community.

Community Action Partnership programs serve young people in Corona, seniors in Mecca, veterans in Beaumont and others who may be struggling to get by or just need a small lift to make it. The programs and services are as varied as the residents and locations Community Action Partnership serves. Congratulations to the Community Action staff and Commission for their work and commitment to the residents of Riverside County.

Carrie Harmon

Interim Executive Director, CAP

Community Action Partnership had a great year serving the residents of Riverside County. During the past year, Community Action Partnership demonstrated its commitment to eliminating poverty in Riverside County through several innovative programs and services.

Today Riverside County is the nation's 10th most populated county. For the better part of a decade our county has been one of the fastest growing in both the state and nation. However, we need Community Action Partnership programs and services more than ever before. They are vital in fighting the war on poverty and helping people reach self-sufficiency.

The COVID pandemic has brought many challenges in the past year and Community Action has continued to tackle poverty during this crisis. In responding to the COVID pandemic, CAP Riverside focused on enhancing existing programs and services by implementing and offering virtual tax preparation, virtual mediation, and virtual conflict resolution workshops. Additionally, CAP embraced technology and began holding regularly scheduled Commission meetings and staff trainings virtually to limit face to face interactions and ensure the health and safety of staff. The Community Action Commission continued its commitment to CAP by providing fiscal oversight, guidance, and insight to tackle the root causes of poverty in the community.

We have a balanced budget and continue to increase our funding opportunities. We thank the Board of Supervisors, Executive Office, and Community Action Commission for their continued support for our mission and work.

We look forward to continuing services to our community that are helping people and changing lives.

COMMUNITY ACTION COMMISSION

Tiffany Baker

Chair, Community Action Commission

As Chair of Community Action Partnership of Riverside County, it has been an honor and a privilege to serve in such an exciting year of growth and transformation for our organization.

This year, we've embarked on innovative collaborations to expand our reach in the region. We forged a partnership with the UCR Blum Initiative that addresses global and regional poverty and we established internships with local colleges in order to promote career development. It is collaborations like these that strengthen Community Action's efforts to eradicate poverty in Riverside County.

Over the course of the year, I'm proud to report that the Commission and its Committees continued its valiant efforts as a tripartite board participating in the development, planning, implementation, and evaluation of programs that serve low-income communities.

We recognize the on-going work and dedication of staff, partners and volunteers, who tirelessly strive to serve the many diverse needs of poverty throughout Riverside County. We wish to extend our sincere thanks and appreciation to the Riverside County Board of Supervisors for its continued support of Community Action's mission, and for joining our efforts to positively impact our region together.

As Commission members, we are passionate about the worthy cause of Community Action and we remain committed to the goal of alleviating poverty and promoting self-sufficiency for all.

The Community Services Block Grant Reauthorization Act of 1998 requires that private nonprofit entities and public organizations administer their CSBG program with tripartite boards that "fully participate in the development, planning, implementation and evaluation of the program to serve low-income communities." Our agency complies with the CSBG Act through our Community Action Commission. Our Commission is comprised of public, private and low-income representatives from the community. The Commission meets 10 times per year excluding August and December.

COMMUNITY ACTION PARTNERSHIP

We are here to serve Riverside County residents and those families and individuals in need.

HOPE

ADVOCACY

EDUCATION

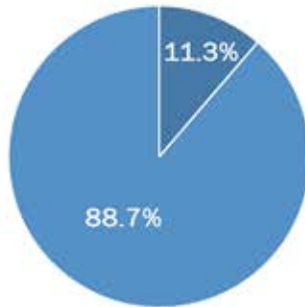

MISSION STATEMENT

Community Action Partnership with the community facilitates opportunities towards self-sufficiency through education, wealth building, energy assistance and advocacy.

PROMISE

Community Action changes people's lives, embodies the spirit of hope, improves communities, and makes America a better place to live. We care about the entire community and are dedicated to helping people help themselves and each other.

POVERTY IN RIVERSIDE COUNTY

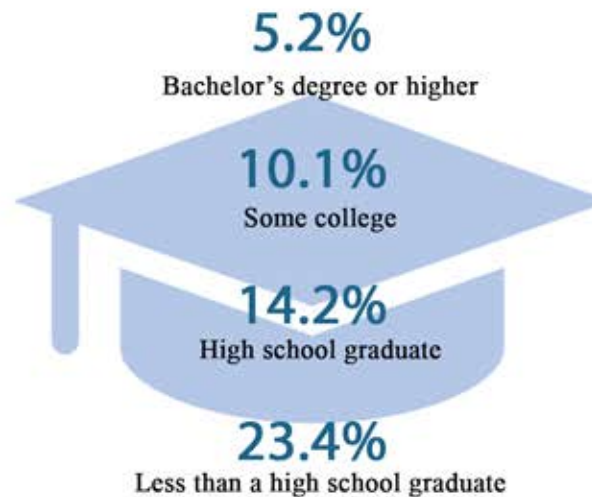

Riverside County Citizens below the Poverty Line

11.3% of the population, nearly **279,172 people**, have incomes below the federal poverty line.

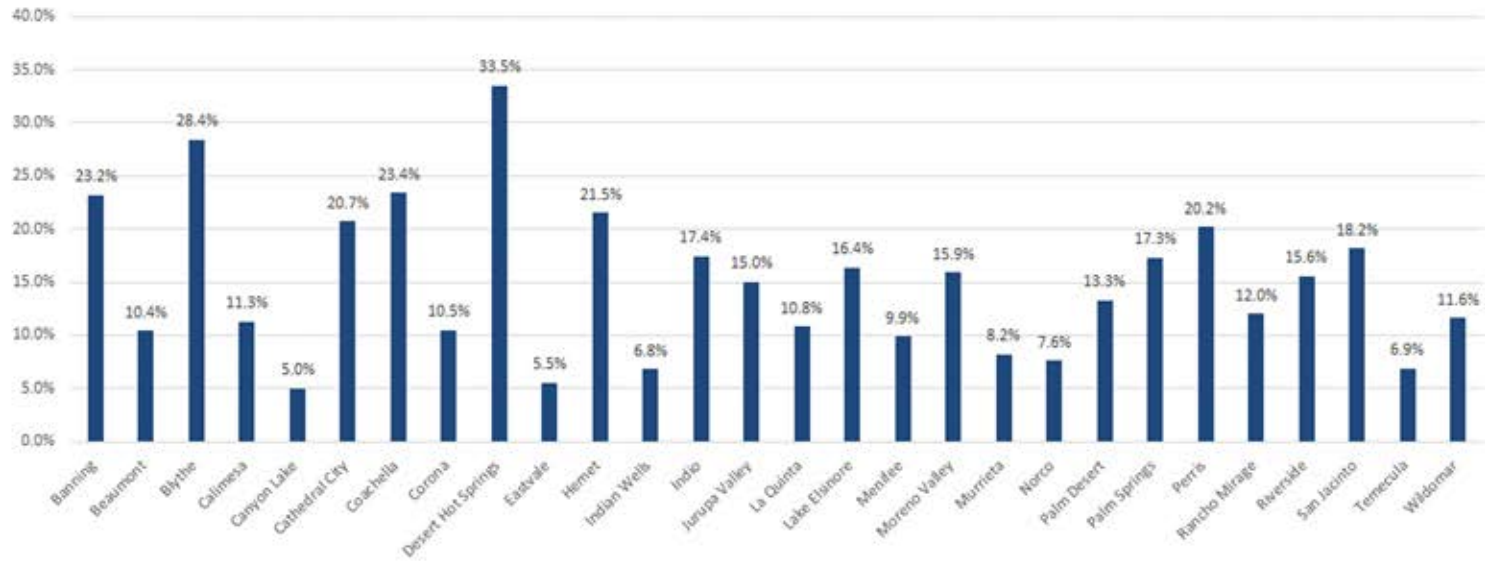

1 in 9

of all people in Riverside County live in poverty.

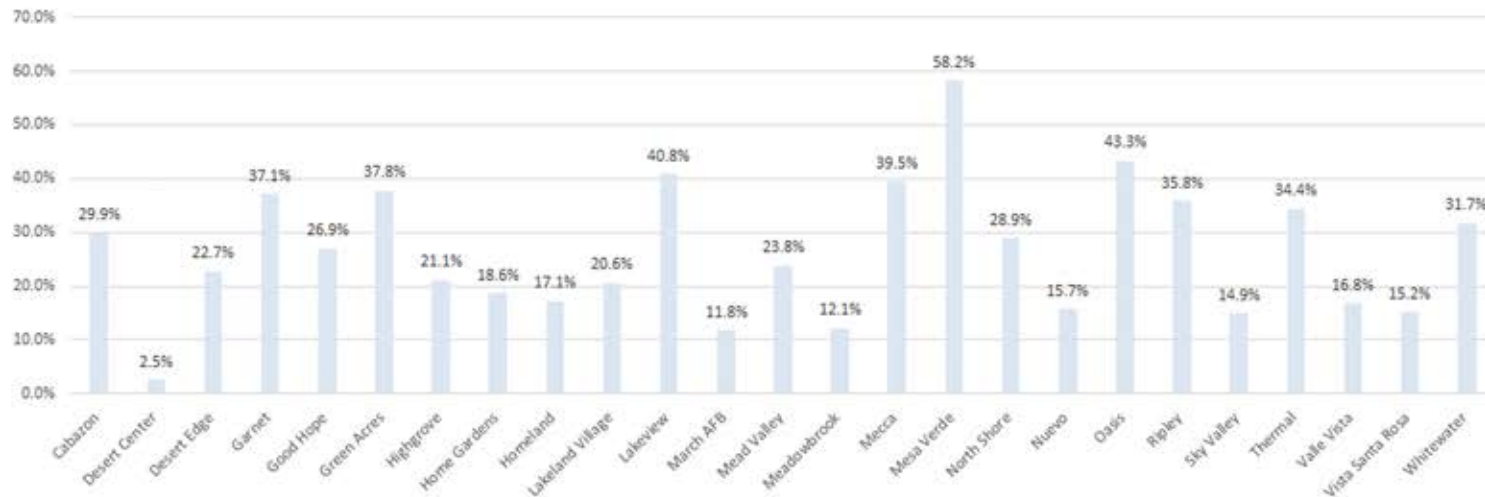

Educational level for citizen who fall below the poverty line.

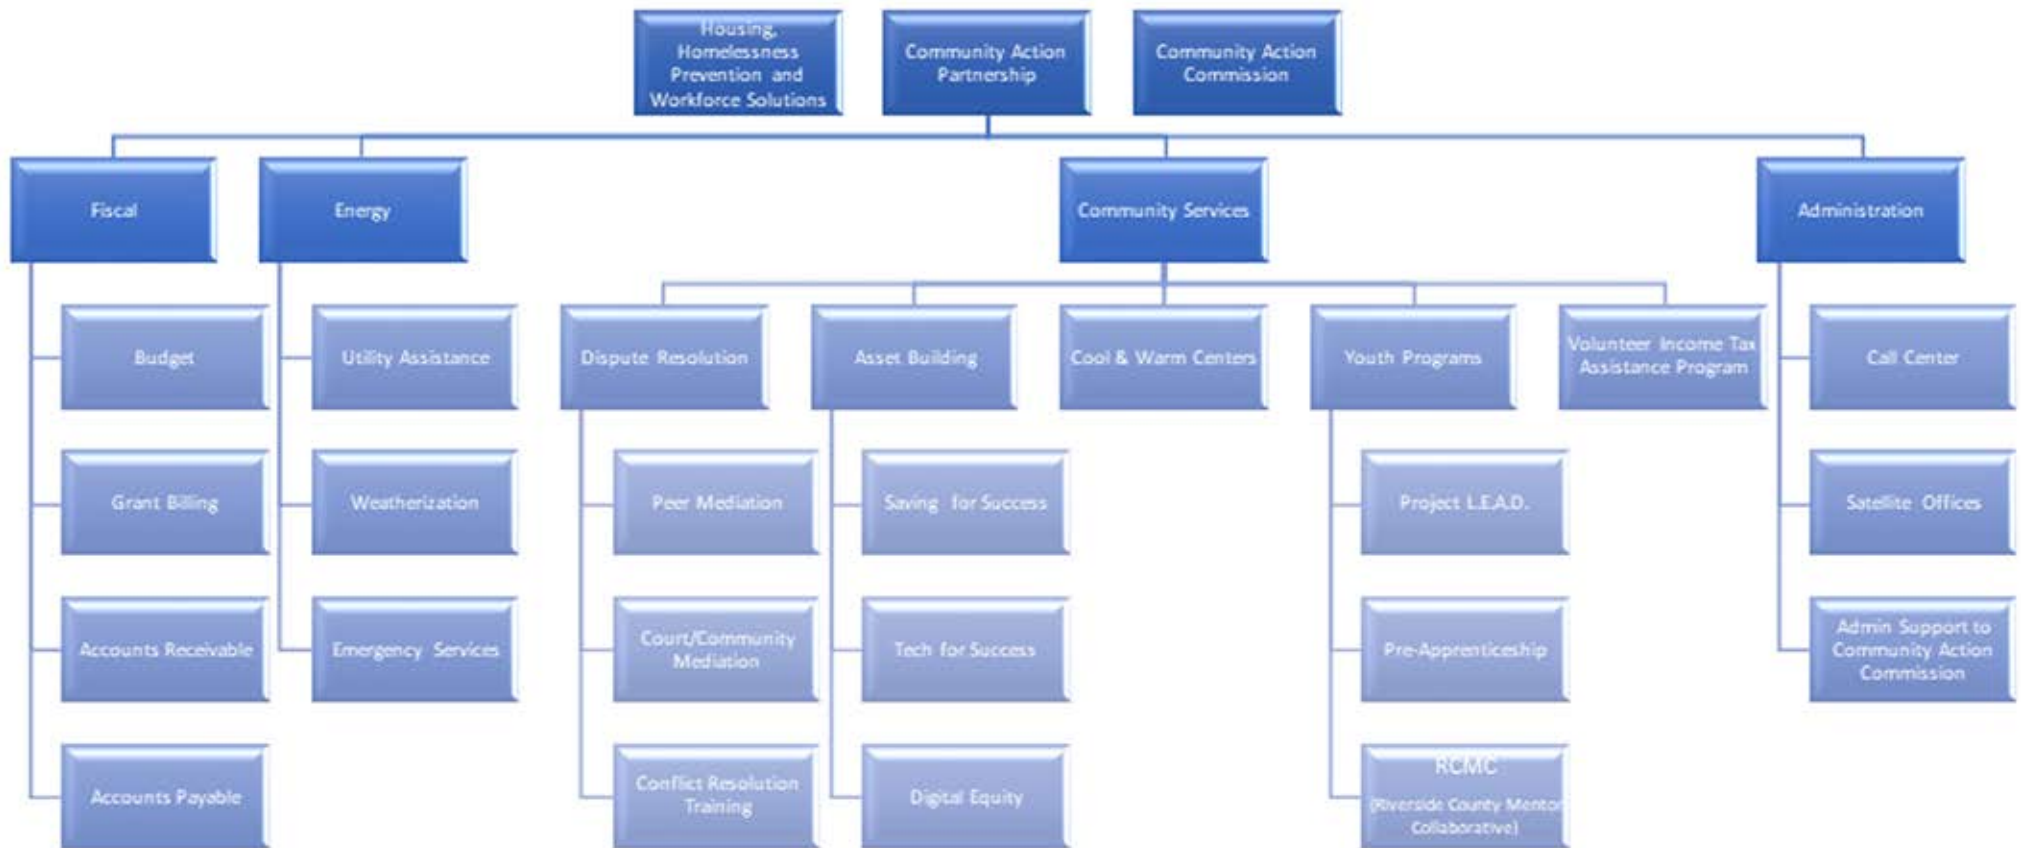

POVERTY PERCENTAGE BY CITY

POVERTY PERCENTAGE BY UNINCORPORATED AREA

COMMUNITY ACTION DIVISION CHART

ACHIEVEMENTS

Project Room Key

Project Roomkey was established in March 2020 as part of a response to the COVID-19 pandemic. The purpose of Project Roomkey was to provide non-congregate shelter options for people experiencing homelessness, protect human life, and minimize strain on the health care system capacity. CAP Riverside partnered with the Housing Authority and helped place hundreds of residents experiencing homelessness during the pandemic into shelter. Additionally, CAP Riverside assembled and delivered more than 150,000 meals to Project Roomkey participants as part of the pandemic response.

Response to COVID-19 Pandemic

CAP Riverside was committed to boost visibility during the COVID-19 pandemic through a CAP CARES billboard campaign. It increased community awareness on vital programs and services administered by the agency. Staff were encouraged to submit their billboard designs and winners were displayed across the county along major freeways to market both existing CSBG programs and new innovative programs such as utility assistance for water, trash, sewer, and internet bills utilizing CSBG CARES funding. This campaign increased visibility and access to programs that help eradicate poverty in Riverside County.

Pathways to Employment Program

The Pathways to Employment targeted adults who were impacted by COVID and lost income/employment during the pandemic by providing job training designed to lift participants out of poverty toward self-sufficiency. 517 participants participated in a job training and mentoring program to help them acquire sought-after job skills and experience. Pathways to Employment matched program participants with 53 local nonprofits and government entities. Participants received supportive services for their participation in the program such as assistance with transportation, clothes for work, childcare, etc.

FACTS & FIGURES

Community Action receives grants from federal, state and local sources. Community Action is dedicated to growing its revenue and making every dollar count through use of volunteers and partnerships in the community.

COMMUNITY ACTION TACKLES POVERTY BY SERVING LOW-INCOME INDIVIDUALS AND FAMILIES

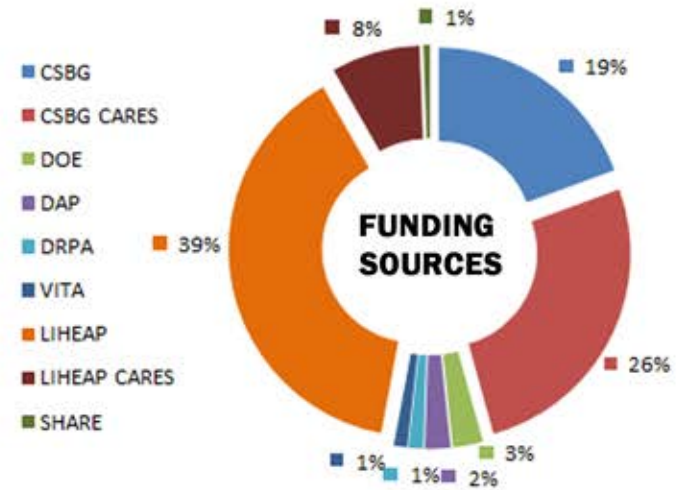

24,339 INDIVIDUALS AND FAMILIES SERVED IN 2020.

Riverside City households
were enrolled in the SHARE
program.

Weatherization Program

 **359**

households received \$1,576,348 in
Weatherization services in 2020.

ENERGY SERVICES

CALIFORNIA ALTERNATIVE RATES FOR ENERGY (CARE)

The CARE program provides a monthly discount of 20 percent or more on the electric or gas bill for individuals who meet the income eligibility guidelines, hold the utility account in his/her name and are qualified customers.

ENERGY CRISIS INTERVENTION PROGRAM (ECIP)

The Energy Crisis Intervention Program assists income qualified applicants with one of their utility bills of either gas, electric, wood, propane or oil payment; as well as, heating or cooling equipment repair, or replacement on behalf of those households identified in a crisis situation. For utility assistance (gas, electric, wood, propane or oil), a payment is made when an applicant receives a 24-hour to 48-hours disconnection notice (or other utility service disconnection notice); or the applicant's utility services have been terminated; or the applicant requires assistance with establishing a new account. Emergency assistance for heating and cooling systems is offered to mitigate the immediate need that poses a life threatening situation during extreme weather conditions. After assessment, the unit problem will be addressed and repaired or replaced as deemed feasible.

ENERGY EDUCATION

The purpose of the energy education is to teach the customer about the costs of energy, the benefits of energy conservation measures and practices, and available resources, such as rebates, appliance safety and discount programs.

SHARING HOUSEHOLDS ASSIST RIVERSIDE'S ENERGY (SHARE)

SHARE is funded by the City of Riverside and is specifically for Riverside Public Utilities customers. SHARE customers may also apply for LIHEAP in order to leverage services received

UTILITY ASSISTANCE

The utility assistance program is a one-time assistance program that helps low and moderate-income individuals and families with utility payment assistance. Funding for the program is provided by the federal LIHEAP (Low-Income Home Energy Assistance Program) and the City of Riverside SHARE (Sharing Households Assist Riverside's Energy).

WEATHERIZATION ASSISTANCE

The program provides free home energy conservation services to low-income Riverside County homeowners and renters. These services reduce energy use and lower utility bills, creating a safe and more efficient household. Energy-saving services include measures such as attic insulation, caulking, water heater blanket, heating/cooling system repair or replacement and other energy-efficient measures. A trained inspector assesses eligible dwellings for measures needed.

COOL & WARM CENTERS

Community Action facilitates cool and warm centers throughout the region that provide a safe place for people, especially those most vulnerable, to escape extreme seasonal temperatures and save money on their utility bills. Cool Centers are active June 1 through Oct. 15, and Warm Centers are active Dec. 1 through March 31. In 2020, there were 31 Cool Centers and Warm Centers operating throughout Riverside County, serving 39,840 visitors. Over 2,500 more than last year.

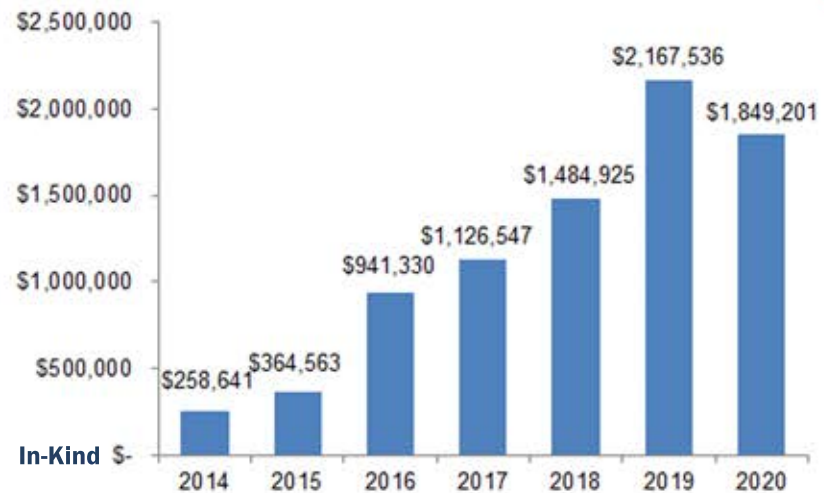

29,996
Cool Center Attendance

The Cool & Warm Centers receive in-kind value in the form of donations, space rent and volunteers.

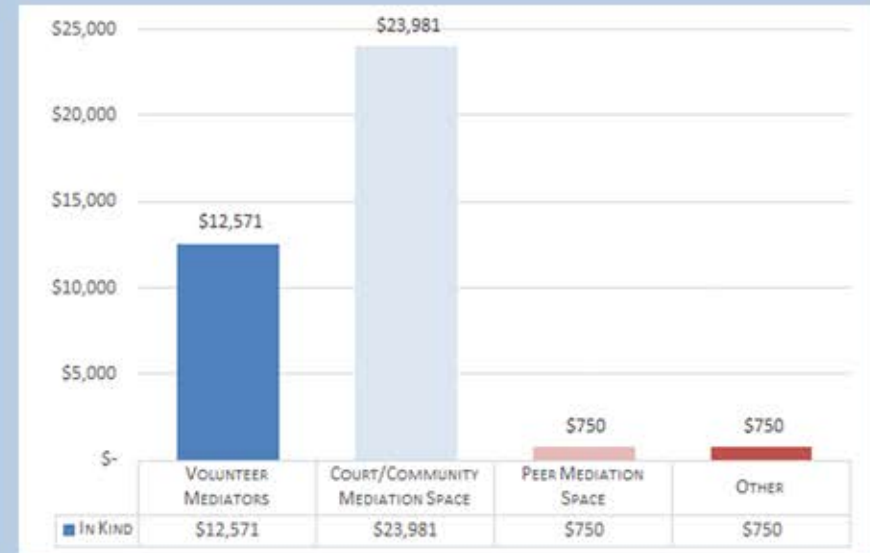

9,844
Warm Center Attendance

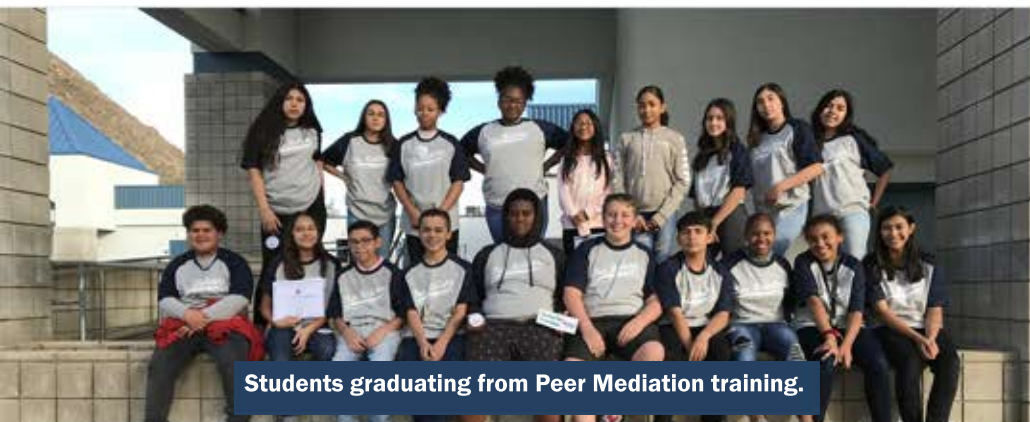

MEDIATION PROGRAM

The Mediation Program provides mediation services and conflict resolution workshops/trainings to the community. Mediation is a process through which disputants work together with a Mediator, a neutral third party, to arrive at a mutually acceptable agreement with regard to the conflict. The purpose of mediation is to settle disputes, not to assign blame, fault nor legally represent either party. Mediation allows the parties to discuss their dispute and work together to facilitate an agreement. Mediation saves money, time, and allows a workable relationship, whereas, the court procedure is time consuming, expensive, and places the parties in adversarial positions. Additionally, Community Action offers no cost Peer Mediation trainings to all schools across Riverside County to help youth resolve conflict and become peace ambassadors.

A total of 53 Volunteer Mediators donated over 419 hours. Total in-kind for the Mediation Program was \$38,052.

Students graduating from Peer Mediation training.

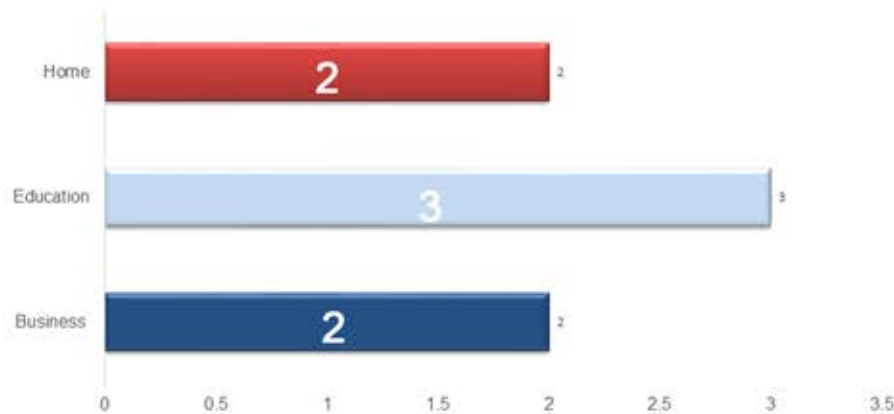

381

Total cases mediated in 2020

ASSET BUILDING

The Savings for Success Program is a matched savings incentive program for residents of Riverside County seeking economic stability. Participants must have income to be eligible for the program. Participants attend a series of mandatory and elective workshops to increase financial knowledge as well as to become better prepared to reach their goal. Participants open a savings account, contribute to reach the goal in savings to be matched by Community Action, and choose to pursue one of the three goals: purchase a first home, college or vocational school or start or expand a business.

A total of 7 individuals graduated from the program.

Tech for Success

The Tech for Success program provides laptops to families that participate in a series of workshops where they acquire skills and learn about community resources. The participants in these series complete workshops such as financial literacy, raising money smart children, child support and conflict resolution. **227 households** received a desktop and **88 participants** from Banning Head Start, Val Verde School District, Mount San Jacinto Adult School and the Coahcella Valley Adult School received a laptop.

Lingafelter Development Fund

The Lingafelter Development Fund provides small grants to grassroots organizations to help them with start up costs. Diamonds in the Rough was the 2020 recipient that focused on transitional housing for homeless youth and Veterans.

VOLUNTEER INCOME TAX ASSISTANCE

The Volunteer Income Tax Assistance (VITA) program provides FREE tax preparation services to low to moderate income filers. During tax season, there are free sites across Riverside County. All sites are staffed by IRS Certified Volunteers.

Those assisted by the VITA Program:

- ✓ Taxpayers who file 1040, 1040A and 1040EZ
- ✓ Low to moderate income individuals and families
- ✓ Person with disabilities
- ✓ Senior Citizens

YOUTH PROGRAMS

PROJECT L.E.A.D. (LINKING EDUCATION, ADVOCACY AND DEVELOPMENT)

Project L.E.A.D. is a program that recruits, trains and deploys young adults to mentor and tutor middle school students enrolled in after school programs. Project L.E.A.D. provides mentoring and tutoring through character development activities such as recreation, crafts, arts and academic coursework.

PRE-APPRENTICESHIP PROGRAM

The Pre-Apprenticeship Program is a workplace mentoring program that matches high school juniors and seniors with small businesses throughout the county. Youth are provided with opportunities to learn marketable job skills and time management skills while still attending high school.

Congratulations to Uyen-Nhi Dao for being successful in the Project L.E.A.D program!

Uyen-Nhi Dao started Project L.E.A.D. on August 30, 2018, and was assigned to Chemawa Middle School in Riverside. During her service, Uyen-Nhi participated in a number of trainings to help her gain knowledge and be a successful tutor/mentor. She blended very well and was able to make connections with the students. She gained their trust and demonstrated calmness and compassion. During the summer and fall of 2020, she helped Youth Programs expand with CARES funding and successfully completed the Pathways to Employment program.

Uyen-Nhi is a proud humble Vietnamese who loves to sing, play the guitar, share about her culture and family, and advocate the importance of giving back to the community.

YOUTH PROGRAMS

Congratulations to Gonzalo Centeno for completing the Pre-Apprenticeship program!

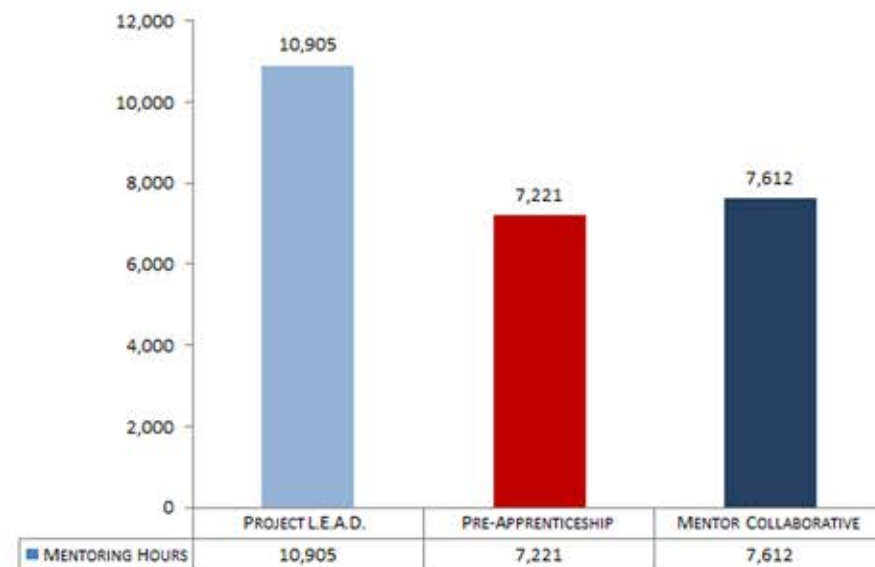

Gonzalo started the Pre-Apprenticeship program during his Junior year in High School and was matched with the Galilee Center, Inc. in Mecca. When he started, he shared that he wanted get work experience and learn from different situations to develop problem solving skills and a strong resume. He was attentive and always asked questions when he was uncertain about his tasks. Gonzalo expressed how the program has helped him develop positive work habits, responsibility, punctuality, and the importance of working together as a team. He also learned how to manage his savings and the importance of his community.

Gonzalo will graduate high school next year in May 2021. He plans to attend community college in the fall and transfer to San Bernardino University and major in Business/Marketing or Computer & Engineering. Gonzalo has become a great role model for other youth.

RIVERSIDE COUNTY MENTOR COLLABORATIVE

The Riverside County Mentor Collaborative (RCMC) is a countywide partnership of more than 50 mentoring programs that assist, support and encourage safe, positive mentor-protégé connections. RCMC delivers mentor training workshops, promotes literacy, provides technical assistance, maintains a comprehensive directory of mentor programs in Riverside County and sponsors a telephone referral hotline.
